NOTICE OF PUBLIC HEARING CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD, SAN DIEGO

The California Regional Water Quality Control Board, San Diego Region (Regional Board) intends to hear comments regarding:

Tentative Order No. R9-2004-001, NPDES No. CAS0108766 (Waste Discharge Requirements For Discharges Of Urban Runoff From The Municipal Separate Storm Sewer Systems (MS4s) Draining the County of Riverside, the City of Murietta, the City of Temecula, and the Riverside County Flood Control and Water Conservation District Within the Santa Margarita Watershed (Upper Santa Margarita Watershed).

The Tentative Order will require municipalities in the Upper Santa Margarita Watershed to develop and implement programs to manage urban runoff and storm water pollution within their jurisdictions. The Tentative Order specifically identifies municipal responsibilities for all three phases of urban development: planning, construction, and existing development.

On December 15, 2003, the Regional Board released Tentative Order No. R9-2004-001 and the draft Fact Sheet/Technical Report for public comment.

The Regional Board wishes to obtain information to assist it in determining the proper requirements for the proposed action. A public hearing will take place at the location and time below. The purpose of this hearing is to receive oral testimony; no decision will be made. The Regional Board will consider adoption of the Tentative Order at a future meeting.

Wednesday, February 11,

2004

at 9:00 a.m.

Rancho California Water District
42135 Winchester Road
Temecula, California

Interested persons are invited to present oral comments on the Tentative Order. Presentations should be brief to allow all interested parties time to be heard.

For the Regional Board to consider comments prior to the hearing, written comments must be submitted to the Regional Board office by 5:00 pm on February 4, 2004. Following the hearing, the Regional Board will accept written comments on the Tentative Order, until 5:00 pm on February 18, 2004. Written comments should be submitted to Megan Quigley at the Regional Water Quality Control Board, San Diego Region, 9174 Sky Park Court, Suite 100, San Diego, CA 92123. Comments that do not exceed five pages in length will be accepted via email. Email comments should be sent to mquigley@rb9.swrcb.ca.gov. Staff will prepare written responses to written comments received up to 5:00 pm on February 18, 2004. Pursuant to Title 23, California Code of Regulations, section 648.2, the Regional Board may refuse to admit written testimony into evidence if it is not submitted in a timely manner.
